2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

I am a customer of Carolina Water Service, and I am against the rate increase that has been proposed. We have one of the highest water rates and our water bills are very high! We can hardly afford to water our plants and grass due to the high rates! When we checked into a separate meter for watering, it wasn't worth it. Please, do not increase our already high water rates! We value where we live and want to stay here to raise our family. Increasing water rates doesn't make sense for our area.

Thanks for your time with this matter.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*
(This section should be completed.)

I do not wish to make an appearance at a hearing.
